NEW VEHICLES

We take great pride in adding three new vehicles to our fleet of Mercedes hearses, limousines and ambulances.

Pictured here is Ilir Bregasi from Mercedes Benz delivering two new Vito ambulances and a Vito Tourer to our funeral director Alex Watson at our Thomas Brown Funeral Directors in Broxburn.

Both ambulances have been fully fitted out with customised decks, designed, supplied and fitted by Ian Roe and his team at Wilcox Limousines.

The Tourer has been fitted to a high specification including electric doors and panoramic glass sun roof.

New Look Logo Coming Soon

We're delighted to give you an early look at our new logo and colour scheme which is due to begin being used very soon.

The new style uses the same International Co-operative Alliance logo that is currently being rolled out across Scotmid Food Stores. The light blue colour also helps link all the Society's individual brands together.

Look out for the new signage and marketing material in the very near future.

Staff help celebrate 25 years

Our Thomas Brown staff, Alex Watson, Ged Boyle, Kirsty Ross, Lorraine Duncan pictured with Father Jeremy Charles Bath of St John Cantius and Nicholas, Broxburn and St Philomena's, Winchburgh to celebrate his 25 years of Priesthood.

Brew Monday

Hamilton and East Kilbride offices recently held charity Brew Monday events to raise funds for Samaritans, as you can see a cake or two was consumed and enjoyed by some of the local community.

Nicola and Graeme in our Dunfermline Office collected Easter Eggs donations from the local community and donated them to the Dunfermline Foodbank for those less fortunate than ourselves and made some children very happy.

Craig's Kiltwalk

Our colleague Craig Dalziel and his wife Anne took part in this year's Kilt Walk to raise money for Samaritans, our charity of the year.

Looks like a good time was had. Well done to you both.
