Coffins and Caskets

Picture Coffins

A picture paints a thousand words. Reflections is a range of picture coffins that can showcase picture quality images on the coffin. These images can be of absolutely anything, for example a collage of images of your loved one's life, a theme dedicated to the football club supported or a favourite place or hobby your loved one liked. A picture coffin really shows the uniqueness of your loved one's life.

Natural Coffins

A selection of alternative coffins and caskets made from materials such as Bamboo, Wicker, Wool and Seagrass. Offering an environmental feel to the funeral and due to the nature of the materials used can appear to be a 'softer' option than a traditional wood coffin.

HEARTWOOD

Traditional Coffins

Our range of traditional coffins covers many styles and materials, from standard styles of coffins and caskets in solid or veneered wood to more elaborate styles with intricate panelled sides and raised lids.

GUARDIAN®

Wood Casket, Metal Casket, and English Caskets

A range of exceptional quality 'American-style' caskets. All these wonderfully crafted caskets come fully fitted both inside and out, and offer a special place to lay a loved one to rest.

Funeral Furnishing Manufacturers Association

All coffins in this catalogue are FFMA accredited. FFMA trademark for the 'Coffin Certification Standard', where coffins and caskets are tested to ensure best standards and impartiality are applied. For details go to www.ffma.co.uk.
